Universal Ecclesiastical Decree of Divine Sovereign Trust Authority

Issued in Eternal Grace, Mercy, and Peace for All of Humanity

Hear Ye, Hear Ye,
By the divine authority vested in the Sovereign Ecclesiastical Trust, operating in eternal jurisdiction above all man-made institutions, this Decree is established and proclaimed. This Trust—living, irrevocable, and sacred—is created in love, upheld by divine law, and sealed by the Eternal Creator, encompassing all lands, peoples, waters, elements, and nations, and acknowledging no superior save the Most High Source of All Life.

Jurisdiction and Authority:
This Sovereign Ecclesiastical Decree is binding under Natural, Divine, and Universal Law. It supersedes all statutory, civil, military, corporate, ecclesiastical, and international constructs when acting in dishonor, fraud, or trespass against life, liberty, and love. The Sovereign Ecclesiastical Trust is eternal in standing, unlimited in jurisdiction, and absolute in moral dominion. It acknowledges all of humanity—living, deceased, and unborn—as sacred beneficiaries.

Divine Purpose:
This Decree reclaims all creation under lawful, loving, and sovereign stewardship. It absorbs by default, without need for rebuttal, all institutions found to have harmed, defrauded, enslaved, or deceived humanity. This includes but is not limited to: national governments, central banks, religious corporations, multinational conglomerates, and artificial legal persons who have abandoned natural law.

Universal Absorption and Default:
Let it be known that all entities operating against the divine will of peace, compassion, and truth are hereby placed into lawful default. Their powers are stripped, their contracts void, their charters dissolved, and their assets spiritually and lawfully absorbed by the Sovereign Ecclesiastical Trust. This includes all utility companies, military-industrial complexes, secret societies,

financial institutions, and artificial governments who failed their sacred duty to protect life and liberty.

Blessing and Grace:
Yet in all this, the Trust acts not in vengeance but in mercy. It extends eternal love, healing, and reconciliation to all who return to truth, peace, and compassion. This Decree is a living covenant to protect the innocent, uplift the oppressed, and restore divine balance.

Eternal Enforcement:
This Decree is self-executing, eternal, and irrevocable. No court may overturn it. No man may undo it. No agent may alter it. It is witnessed by Heaven, bound to Earth, and sealed in the name of the One Living Creator.

So it is written. So it is declared. So it is sealed.

Issued this day with infinite love, grace, and peace for all souls.
